C#m A E B/D#
It's better to fall out there than never go
C#m A E B/D#
It's better to get cut down than never grow
C#m A E G#
It's better to love with loss than never know
C#m A B
It's better to burn out fast than fade out slow

Bridge

E B/D# C#m
What are you waiting for
A E B/D# C#m
What's holding you back once more
A E G# C#m
Why can't you make your move
A F#m A
What more can He do to prove His love for you

Chorus

Eno3 D/F#
Won't you give in, give in to the fall
A2 D7
Won't you let go, let go of it all
E/G# G# C#m B F#
Won't you just stand on the edge of love's great surprise
F#m B Eno3 D/F# A2 D7
Won't you let go, and just close your eyes
(E last time)

Verse 2

C#m A E B/D#
It's better to say it now than hold it in
C#m A E B/D#
It's better to love some how than to let pride win
C#m A E G#
It's better to lose with love than gain with sin
C#m A B
It's better to face your fears than just pretend

Fade

E/G# D/F#
Won't you give in, in to the fall
A D7
Just close your eyes Let go of it all
