All I want to do is call Your name
 E Esus
out in the night
E5 B/E A
Words cannot express this thankfulness
 E Esus
I feel inside
E5 B/E
All I want to feel is Your arms
A E Esus
wrapped around my life
E5 B/E
Lord, please use me Let me serve Thee
A E Esus
As Thy Holy Bride

Verse 2

I want to be healed by Your love again
Reach out and touch Your robe
Restore my soul

I want to drink from a well
that won't run dry
And quench this emptiness
And thirst no more
